# *Special Navigator*

for Families with Special Needs

*Information and referral services for families of children with special needs.*

A Parent / Family Specialist provides free guidance to families to help them navigate the maze of medical, special education, mental health, addiction and community support services. A database of special needs resources has been developed and is regularly updated.

Families are assisted in locating services, programs and information that they will need. The Special Navigator program provides free referral / resource information for individuals with special needs from birth to adult in Mahoning, Trumbull Counties and surrounding areas.
